

Parent instructions for Recital Noblesville High School Auditorium

FIND YOUR CHILD'S NAME on the program to see what set they are in.

PARKING

Park on the east side of Noblesville High School. **Enter through Gate 1.**

DOORS OPEN 20 MINUTES BEFORE SET STARTS

ARRIVE IN COSTUME AND READY TO PERFORM

PERFORMERS SIT IN AUDIENCE WITH PARENTS.

You will watch the opening numbers, then be called to the **SIDE HALLWAY DOOR**. Listen to the announcements. Parents will swiftly drop off performers at the side door and go watch from their audience seat. Do not come backstage until called over the microphone.

MEET YOUR STUDENT AT THE FRONT OF THE STAGE AFTER THEIR PERFORMANCE.

As soon as each performance is done they will collect their award and exit the front of the stage one at a time directly to the seating area. Please escort your student back to your seats.

STAY SEATED DURING PERFORMANCES

Be respectful of all performers and their families. Please remain seated while performers are on stage. If you arrive late DO NOT walk to a seat until the current dance number is over. This way you are not potentially walking in front of parents who are trying to watch or video tape their child on stage.

PHOTOS

Before you leave, find the photo station by Tenth Street Photography and have your picture taken. We will post an event composite in the lobby of the gym. We would love for everyone to be on it. You can purchase photos through Tenth Street Photography.
